**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Hello from a consumer and small business owner and country living girl/family. We STRONGLY support broadband competition. Please maintain this option for us!

We want quality tech support and friendly, responsive customer service. NOT price hikes !

Furthermore, living in the country having local broadband providers creates jobs for the providers and those of us working remotely and requiring quality and timely service.

Thank you!!!!
